This product comes with a limited warranty, the acceptance of which is a condition of sale. This product has been tested for quality assurance and this product or its components may have been recycled.

* Free basic technical support provided for 90 days from date of purchase. Premium technical support also available on a paid for basis.

† Maximum wireless signal rate derived from IEEE standard 802.11 specifications. For best results use with devices or WiFi adapters with the same or better wireless technology. Actual data throughput and wireless coverage will vary. Network conditions and environmental factors, including volume of network traffic, building materials and construction, and network overhead, lower actual data throughput rate and wireless coverage. On Networks makes no express or implied representations or warranties about this product's compatibility with any future standards.

¹ Works with devices supporting Wi-Fi Protected Setup® (WPS).
