

# 1 Warnings and Precautions

To use the device properly and safely, read these warnings and precautions carefully and strictly observe them during operation. Unless otherwise specified, the term "device" refers to the device and its accessories.

## Basic Requirements

- > During storage, transportation, and operation of the device, keep it dry and prevent it from colliding with other objects.
- > Do not dismantle the device. In case of any fault, contact an authorized service center for assistance or repair.
- > Without authorization, no organization or individual can change the mechanical, safety, or performance design of the device.
- > When using the device, observe all applicable laws and regulations and respect the legal rights of other people.

## Environmental Requirements for Using the Device

- > Before connecting and disconnecting cables, stop using the device, and then disconnect it from the power supply. Ensure that your hands are dry during operation.
- > Keep the device far from sources of heat and fire, such as a heater or a candle.

- > Keep the device far from electronic appliances that generate strong magnetic or electric fields, such as a microwave oven or a refrigerator.
- > Place the device on a stable surface.
- > Place the device in a cool and well-ventilated indoor area. Do not expose the device to direct sunlight.
- > Use the device in an area with a temperature ranging from 0° C to 40° C.
- > Do not place any object (such as a candle or a water container) on the device. If any foreign object or liquid enters the device, stop using the device immediately, power it off, remove all the cables connected to it, and then contact an authorized service center.
- > During thunderstorms, power off the device, and then remove all the cables connected to it to prevent it from getting damaged due to lightning strikes.

## Precautions for Using Wireless Devices

- > When using the device, ensure that the antenna of the device is at least 20 cm away from all persons.
- > When using the device, ensure that the antenna of the device is at

least 20 cm away from all persons. When using the handset of the device, however, you can use it close to your body.

- > The radio waves generated by the device may interfere with the operation of electronic medical devices. If you are using any electrical medical device, contact its manufacturer for the restrictions on the use of the device.
- > Do not take the device into operating rooms, intensive care units (ICUs), or coronary care units (CCUs).

## Areas with Inflammables and Explosives

- > Do not use the device where inflammables or explosives are stored, for example, in a gas station, oil depot, or chemical plant. Otherwise, explosions or fires may occur. In addition, follow the instructions indicated in text or symbols.
- > Do not store or transport the device in the same box as inflammable liquids, gases, or explosives.

## Accessory Requirements

- > Use only the accessories supplied or authorized by the device manufacturer. Otherwise, the performance of the device may get

affected, the warranty for the device or the laws and regulations related to telecommunications terminals may become null and void, or an injury may occur.

- > Do not use the power adapter if its cable is damaged. Otherwise, electric shocks or fires may occur.
- > Ensure that the power adapter meets the specifications indicated on the device nameplate.
- > For pluggable device, the socket-outlet shall be installed near the device and shall be easily accessible.

## Safety of Children

Keep the device and its accessories out of the reach of children. Otherwise, they may damage the device and its accessories by mistake, or they may swallow the small components of the device, causing suffocation or other dangerous situations.

## Maintenance

- > If the device is not used for a long time, power it off, and then remove all the cables connected to it.
- > If any exception occurs, for example, if the device emits any smoke

or unusual sound or smell, stop using the device immediately, power it off, remove all the cables connected to it, and then contact an authorized service center.

- > If the device screen is broken by colliding with hard objects, do not touch or try to remove the broken part. In this case, stop using the device immediately, and then contact an authorized service center in time.

## Disposal and Recycling Information

 This symbol (or without a solid bar) on the device, and/or on its packaging, and on its batteries where included, indicates that the device including its electrical accessories (e.g. headset, adapter, cable) and the batteries should not be disposed of as normal household garbage. These items should not be disposed as unsorted municipal waste and should be handed over to a certified collection point for recycling or proper disposal at the end of their life.

For more detailed information about the recycling of the device or batteries, please contact your local city office, the household waste disposal service, or the retail store where you purchased it/them.

Disposal of the device and batteries if included is subject to WEEE Directive

Recast (Directive 2012/19/EU) and Battery Directive (Directive 2006/66/EC). The purpose for separating WEEE and batteries from other waste is to minimize the potential environmental impacts on human health of any hazardous substances that may be present.

## Reduction of Hazardous Substances

This device is compliant with the REACH Regulation [Regulation (EC) No 1907/2006] and RoHS Directive Recast (Directive 2011/65/EU). Batteries where included are compliant with Battery Directive (Directive 2006/66/EC). For more information about the REACH and RoHS compliance of the device, please visit the Web site [www.huaweidevice.com/certification](http://www.huaweidevice.com/certification). You are recommended to visit the Web site regularly for up-to-date information.

**Federal Communications Commission (FCC) Statement**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device should be installed and operated with a minimum distance of 20 cm between the antenna and all persons.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- > Reorient or relocate the receiving antenna.
- > Increase the separation between the equipment and receiver.

- > Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- > Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications made to this device not expressly approved by Huawei Technologies Co., Ltd. may void the FCC authorization to operate this device.

Within the 5.15 to 5.25 GHz band, UNII devices will be restricted to indoor operations to reduce any potential for harmful interference to co-channel Mobile Satellite System (MSS) operations.

**FCC Radiation Exposure Statement**

This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

## 3 Warranty Card

Thank you for choosing Huawei Technologies Co., Ltd. — a leading telecom solution provider. To get better services, please read this warranty card carefully, fill in the required information and preserve this card in good condition.

**Limited Warranty**

Subject to the exclusions contained below, Huawei Technologies Co., Ltd. (hereinafter referred to as Huawei) warrants its access terminals ( "Products" ) to be free from defects in materials and workmanship under normal consumer usage for one year from the date of purchase of the product ("Warranty period"). During the warranty period, a Huawei authorized service partner shall remedy defects in materials and workmanship free of charge.

**Special Notice:**

- (1) The warranty card shall be applicable only after being stamped by the dealer.
- (2) The warranty card must be preserved in good condition and free of any scratch or alteration.
- (3) To claim such service for defects that are not included in the following

exclusion terms, the warranty card and the invoice that records the product serial number shall be presented to a Huawei authorized service partner.

**Exclusions:**

In any of the following cases, the warranty card becomes unenforceable or inapplicable without prior notice:

- (1) The defects are caused by improper handling in transportation and assembly.
- (2) The defects are caused by the fact that the product is dismantled or altered by anyone that is not from a Huawei authorized service partner.
- (3) The defects are caused by the fact that the product is used in a harsh environment that is not suitable for the operation of the product.
- (4) The defects are caused by any force majeure including but not limited to fire, earthquake, lightning and tsunami.
- (5) The defects are caused by the fact that the product is used or handled improperly, roughly or not as instructed in the applicable User Guide.
- (6) The normal wear and tear, including but not limited to the normal wear and tear of the shell and the power module, shall not be covered by the limited warranty.
- (7) The warranty card is altered or illegible, or the product serial number

recorded on the warranty card is inconsistent with the actual one imprinted or labeled on the product.

(8) The product nameplate, serial number barcode, or seal label has been removed, erased, defaced, or is illegible.

In any case that is not covered by this limited warranty or should the warranty expire, Huawei shall charge for the service(s) claimed for the products if the product is still remediable.

Huawei preserves the right for interpretation of this limited warranty.
