

Quick Start Guide and Safety & Compliance

The Device is a quick and convenient shopping companion for your home. Say it or scan it to add an item to your Cart.

Set Up Your Device

Download and install the latest version of the app. During setup, your device will need to connect to the internet. Please have your Wi-Fi password available.

To set up your device:

- 1) Open the app
- 2) Tap the menu button and go to your Account
- 3) Under "Your devices", tap "Set up a new device."
- 4) Follow onscreen setup instructions

Once successfully activated and connected to your WiFi network, your Device will be ready for use.

Using Voice

Hold down the button, say one item, then release the button. Repeat for each item.

Using Barcodes

Hold the Device a few inches away from the product barcode and press the button until the Device beeps. Repeat for each item.

Complete Your Shopping

Items that you scan or say with your Device are automatically added to your Cart. Your items will be ready for checkout next time you go to the app or website.

SAFETY AND COMPLIANCE INFORMATION

Use responsibly. Read all instructions and safety information before use.

FAILURE TO FOLLOW THESE
SAFETY INSTRUCTIONS COULD
RESULT IN FIRE, ELECTRIC
SHOCK, OR OTHER
INJURY OR DAMAGE.

Maintaining Your Device: Do not use this device in rain, or near sinks or other wet or highly humid locations. Take care not to spill any food or liquid on this device. Clean the Device with a soft cloth and avoid using liquids or harsh chemicals that may damage the Device.

Batteries: The battery in this device cannot be recharged or replaced. Do not open, disassemble, bend, deform, puncture or shred the battery. Do not modify, attempt to insert foreign objects into the battery or immerse or expose to water or other liquids. Do not expose the battery to fire, explosion or other hazard. Promptly dispose of used batteries in accordance with applicable laws and regulations. If dropped and you suspect damage, take steps to prevent any ingestion or direct contacts of fluids and any other materials from the battery with skin or clothes.

Recycling Device: In some areas, the disposal of certain electronic devices is regulated. Make sure you dispose of or recycle the Device in accordance with your local laws and regulations.

Radio Frequency Exposure: The output power of the radio technology used in the Device is below the radio frequency exposure limits set by the Federal Communications Commission of the United States (FCC). Information on the device is on file with the FCC and can be found under the Display Grant section of <http://transition.fcc.gov/oet/ea/> after searching on the FCC ID for your device which can be found on the back cover. It is advised to use the wireless equipment in such a manner that the potential for human contact during normal operation is minimized.

Radio Frequency Information: This Device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this Device may not cause harmful interference, and (2) this Device must accept any interference received, including interference that may cause undesired operation. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: (i) reorient or relocate the receiving antenna; (ii) increase the separation between the equipment and the receiver; and (iii) consult the dealer or an experienced radio/tv technician for help. Changes or modifications that are not expressly approved by the party responsible for compliance could make the Device no longer comply with the FCC rules.

Other Safety Considerations: Small parts contained in your device and its accessories may present a choking hazard to small children.

EU Conformity

This device is in compliance with the essential requirements and other relevant provisions of RTTE Directive 1999/5/EC.

A copy of the EU Declaration of Conformity is available at: www.amazon.com/kindle_eu_compliance

Applicable CE Marking

CE 0984

CE SAR Compliance

This device meets EU requirements (1999/519/EC) on the limitation of exposure of the general public to electromagnetic fields by way of health protection.

Recycling Device Properly

In some areas, the disposal of certain electronic device is regulated. Make sure you dispose of or recycle your device in accordance with your local laws and regulations.

Product Specifications

Model Number: PL46MN

Electrical Rating: 3.0 VDC

Connectivity : Single Band Wi-Fi (2.4GHz); 802.11b/g/n; BLE 4.1

Operating Temperature Rating: 0-35 °C
